NEW Botanical Alternative to Retin-A Pamela Bond Skin Fitness introduces **FRUITZYME PM SERUM**

Why be out dated when you can be updated. A natural Retin-A alternative.

NEW FRUITZYME PM SERUM offers the power of Retinol without those harsh nasty side effects. No more flakey, red, sensitive skin.

The SECRET ingredient is MOTH BEAN SEED EXTRACT from the Legume family.

- Stimulate Collagen; fibroblast ; boosting anti-aging power
 - Offers a complete anti-aging solution
- Multi-targeted anti-aging, suitable for all skin types, including sensitive one.

Fresh papaya, apple extracts and AHA fruit enzymes contain potent nutrient-rich ingredients to gently **remove** excess dead surface cells, **eliminate** fine lines and wrinkles. Anti-oxidants and peptides help nourish and **repair** for the softest, firm smooth skin possible. **Moth Bean Seed Extract** aids skin repair and **minimizes** surface damage.

Application: apply 1-2 pumps of Fruitzyne Pm Serum on clean skin. Follow with 1 pump of Raspberry Resurfacing Night Cream. Avoid eye area.

Ingredients: Integrity, Aqua (Water), Hamamelis Virginiana (Witch Hazel) Water, Glycerin, Alcohol Denat. (Ethanol), L-lactic Acid, Hydroxypropyl Betacyclodextrin, **Vigna Aconitifolia (Moth Bean) Seed Extract** , Sodium Citrate, **Mangifera Indica (Mango) Fruit Extract**, Carica Papaya (Papaya) Fruit Extract, **Ananas Sativus (Pineapple) Fruit Extract**, Azelaic Acid, Salicylic Acid, **Pyrus Malus (Apple) Fruit Extract**, Glycine Soja (Soybean) Extract, D-beta-fructan, Malic Acid, Cucumis Sativus (Cucumber) Oil, D-beta-glucosamine, Niacinamide, Carrageenan, Sorbitol, Mannitol, Hydrolyzed Actin, Sodium Glucuronate, Calcium Gluconate, Pyruvic Acid, Arginine
